### Questions asked:

1. Do you or your spouse/partner have any current direct financial interests in any private sector organization or industry with interests in endometriosis diagnosis and treatment (medical, surgical, complementary) or pelvic health? This includes your current employment, investments in companies, partnerships, equity, royalties, joint ventures, trusts, property, stocks, shares or bonds.; 2. In the past 5 years, have you or your spouse/partner received payment for work done or being done, or financial support, from a private sector organization with interests in endometriosis diagnosis and treatment (medical, surgical, complementary) or pelvic health? Please consider past employment, contracts or consulting, research support, fellowships, sponsorships, and honoraria for teaching, speaking, writing engagements or any other patient advocacy work.; 3. In the past 5 years, have you or your spouse/partner received materials, discounted products, gifts, or other benefits, or attended conferences or meetings where all or part of the travel and accommodation costs were provided by a private sector organization that operates in the area of endometriosis diagnosis and treatment (medical, surgical, complementary) or pelvic health?; 4. In the past 5 years, have any of the organizations where you or your spouse/partner are currently employed or where you or your spouse/partner participate in internal decision making (as a board member or as an executive or non-executive director), received grants or other funding from a private sector organization that has an interest in the area of endometriosis diagnosis and treatment (medical, surgical, complementary) or pelvic health?; 5. Do you have any current professional or volunteer affiliations (such as membership in professional/scientific societies, advocacy groups or other not-for-profit organizations/groups) that may have an interest in the area of endometriosis diagnosis and treatment (medical, surgical, complementary) or pelvic health?; 6. Do you have any other interests or affiliations not mentioned above that could cause concern about your ability to participate objectively in your duties as a board member of TENC?
